

Bringing God's light into Dark Situations

Overview

The school of Healing Revivalists will be headed up and run by Paul Skelton of "HOTS Bath", who has a passion to see revival for the nation, but believes that it starts with the individual.

"I just set myself on fire and others came to watch me burn" *John Wesley.*

It will include sessions from other local anointed speakers, who are moving in the gifts of the Spirit and who will also release impartation for personal growth.

Outcomes from the school

This school will build your boldness and faith level, as well as stirring up the gifts of God within you, to a point where you are able to move out of the church building and into the market place with expectancy, for Healing to take place.

E-mail from a participant

"Just done my first prayer for healing in Sainsbury's!

I bumped into an elderly lady with bad balance near 'eggs', which she sort of told me about at 'rice and pasta' and later at 'canned tomatoes'.

Decided at 'Crisps and Snacks' to offer to pray for her. She was ahead of me by now and I caught her up at 'Fizzy Drinks', introduced myself and asked her if she would like prayer.

She said 'Yes please' and it turned out she also had an arthritic shoulder, and two other things that I didn't recognise. .

So she grabbed hold of her trolley, closed her eyes and I prayed healing of the four conditions and gave thanks.

She said it was a good experience for her and she seemed glad that it had happened. Not sure about what healing occurred then and there - but she was still walking! The rest is in God's hands"

School of Healing Revivalists

Demonstration workshops

The Bible teaches in 1 Corinthians that “The Kingdom of God is not a matter of talk but Power”, yet so many times we seem to use a lot of words and miss the power encounter.

This school consists of a series of interactive teaching / demonstration sessions when the power of God is encountered in a very tangible way.

The next school starts in January 2010 and will take place on Tuesday evenings in Box House, Box.

7.15pm to approximately 10.00pm and will run one evening every 2 weeks.
